RE: Docket No. 991486-WU; Investigation in to Retention of Certificated Area of Ellis & Company, Ltd., (Holiday Mall) by Floralino Properties, Inc., Pasco County

Order No. PSC-01-1302-FOF-WU deleted the Holiday Mall from the certificated territory of Floralino Properties, Inc., effective November 10, 2001, or ten days after notice that the Mall was receiving water service from Pasco County (see Order at page 5). The docket was to remain open pending staff's verification that the interconnection with the county had been completed.

The Mall's counsel Donald R. Hall, sent a letter on October 2, 2001 to Floralino Properties and Pasco County Utilities, stating that the Mall intended to complete the water transfer from Floralino to the county on October 18, 2001. A letter dated January 29, 2002 confirming the water connection to Pasco County was sent to the PSC staff, and has been placed in the docket file.

Now that the water connection to the county is complete, and verification has been provided, this docket can be closed.
