Dear Ms. Bayo:

RE: Docket No. _____
Waiver of Rule 25-24.515(13), F.A.C.

Enclosed please find the original and 5 copies of our request for a two-year waiver of Rule 25-24.515(13), F.A.C., which we ask you to file in the above captioned matter.

We request that the pay telephones located at the addresses below be exempt for a period of two years from the provisions of Rule 25-24.515(13), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

Oak Hill Shopping Center (904) 778-9492
7628 103rd Street
Jacksonville, FL 32210

Oak Hill Shopping Center (904) 778-9491
7628 103rd Street
Jacksonville, FL 32210

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (Section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the location(s) identified above has either joined in or agreed to this request for waiver which is attached.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

Manager – Business Office
BellSouth Public Communications, Inc.
