RE: Docket No. 010949-EI

Dear Ms. Bayo:

The purpose of this letter is to inform the Staff and the parties that the FCTA does not intend to file a posthearing brief in this proceeding. The FCTA was granted intervention in this docket in Order No. PCS-01-1949-PCO-EI, issued on September 28, 2001. The purpose of the FCTA's intervention was to represent the interests of its members both with respect to their interests relating to pole rents and access, as well as their interests as power users and retail customers of Gulf Power Company. Ultimately, the FCTA did not take a position on any issue raised in this docket and did not sponsor any testimony or offer any exhibits at the final hearing. Accordingly, the FCTA does not intend to file a posthearing brief or adopt any position properly stated by any other party in its posthearing brief. However, it is the desire of the FCTA to remain a party in order to continue to monitor the posthearing proceedings, to receive notices, orders, and other papers filed, and to respond to any new issues properly raised by the parties or the Commission in the posthearing proceedings, including any additional phases and hearings.

Thank you for your assistance in this regard.
