I do see it now, in the Secy of State acknowledgment dated 12/6/01. We'll update the name to Colmena Corp. of Delaware based on that information.

Thanks.  
Kay

Will do, but we'll need Secy of State documentation for the docket file, since there is no other documentation in the file to support the correction/change.

Thanks.

Tommy, we were never advised by staff to correct this company's name in the docket title. We will go ahead and show it

**CCA Official Filing:**

correctly on the agenda page, but we do need a memo from you to correct it with a copy of Secy of State documentation attached.

Thanks.
