Re: Docket No. 020123-TP Transfer Applications

Dear Ms. Bayo:

Included herein are two (2) applications for the transfer of telecommunications authority to Progress Telecom Corporation, a wholly owned subsidiary of Progress Energy, Inc. The first application is a request for transfer of ALEC Certificate No. 7448 from Progress Telecommunications Corporation to Progress Telecom Corporation. The other application is for the transfer of IXC Certificate No. 7058 from Caronet, Inc., a wholly owned subsidiary of Carolina Power & Light to Progress Telecom Corporation.

In a memorandum to the Commission dated February 14, 2002 related to these transfers, it was requested that Alternative Access Vendor Certificate No. 5764 also be transferred to Progress Telecom Corporation. Progress Telecom Corporation has subsequently determined that authority to provide Alternative Access Vendor services is not necessary and therefore requests that Certificate No. 5764 be canceled. In addition, the memorandum of February 14, 2002 also requested that ALEC Certificate No. 7038 currently held by Caronet be canceled.

Finally, it is also our understanding that applications for an assignment or transfer of an existing certificate to another company does not require a filing fee. If this is not correct, please advise and the appropriate filing fee(s) will be submitted.
