RE: Docket No. 010102-TP: Investigation of Proposed Updates to the Routing Data Base System (RDBS) and Business Rating Input Database System (BRIDS) Affecting Tampa Telecommunications Carriers

In accordance with Order Nos. PSC-01-1577-FOF-TP, issued July 31, 2001, and PSC-01-2113-FOF-TP, issued October 24, 2001, Docket No. 010102-TP was to remain open pending the implementation of thousands-block number pooling in the 813 area code.

Since number pooling for the 813 area code began on January 14, 2002, and all contingent actions were completed, the requirements set forth in the above orders have been met. Therefore, as authorized in the above orders, this docket should be administratively closed.

If you have any questions, please contact staff on this docket.
