RE: Docket No. 000545-WS, Application for original certificates to operate a water and wastewater utility in Pasco County by Labrador Services, Inc.

Order No. PSC-02-1483-PAA-WS, issued July 16, 2001, required the utility to perform regular billing or file for a waiver of Rule 25-30.335(1), Florida Administrative Code. By facsimile transmission on September 20, 2001, the utility proposed to provide an annual notice to its customers of the fixed monthly payments in its tariffs until metered rates and charges are established by the Commission. On March 22, 2002, staff received a copy of the utility's annual notice for inclusion in the utility's water and wastewater tariffs.

Order No. PSC-02-1483-PAA-WS also required the utility to file a 2000 Annual Report and remit 2000 regulatory assessment fees (RAFs), penalties, and interest. The utility filed its 2000 Annual Report on November 01, 2001, and completed payment for 2000 RAFs, penalties, and interest on January 31, 2002.

Since there are no issues remaining in Docket No. 000545-WS, staff requests that the docket be administratively closed.
