Re: Docket No. 020045-WU, Investigation of Overearnings for Morningside Utilities, Inc.

Dear Mr. Turner:

On March 19, 2002, the Commission voted on staff's recommendation dated March 7, 2002. A Proposed Agency Action (PAA) order is scheduled to be issued on April 8, 2002. If no protests are filed by the end of the protest period, which is 21 days from the date that the PAA order is issued, the rates and charges approved by this Commission will become final.

The utility should file revised tariff pages by April 8, 2002, to allow staff sufficient time to verify the accuracy of the revised pages. The effective date of the tariffs should be the day after the Commission's PAA order is issued. Enclosed are revised tariffs for this utility. Although staff has prepared revised tariffs for this utility, it is the utility's responsibility to make sure all tariffs submitted to the Commission are complete and accurate.

A copy of the customer notice informing the utility's customers of the Commission's approved rates must also be submitted for staff's review and approval. After staff approves this notice, it must be mailed to customers of receipt. Staff has also included an example of a Commission approved customer notice.

Please mail the revised tariff pages and a copy of the proposed customer notice to:
