Katherine is out sick for the rest of the afternoon. Therefore, per Dr. Bane's request below, I am providing a revision to Staff's recommendation to Issue No. 2 on Item No. 10 on tomorrow's agenda. Please delete the current Recommendation paragraph and substitute the following:

RECOMMENDATION: Yes. If Issue 1 is approved, the tariff should become effective on or after the stamped approval date on the tariff sheets, pursuant to Rule 25-30.475, Florida Administrative Code. If a protest is filed within 21 days of the issuance date of the Order, the tariff should remain in effect with all wastewater only charges held subject to refund pending resolution of the protest, and the docket should remain open. If no timely protest is filed, this docket should be closed upon issuance of the Consummating Order. (COSTNER, ECHTERNACHT)

Please note that I attempted to make this revision in "type and strike" format, per Dr. Bane's instructions, but this current Outlook e-mail program does not allow "striking". Therefore, I have attached a WordPerfect file with the required type and strike format.

Staff will be making this verbal revision during tomorrow's agenda conference. If you have any questions, please contact me in Katherine's absence. Thank you.

Since you are replacing the current recommendation statement for Issue 2, you should show the change in

DOCUMENT NUMBER-DATE

03692 APR-1 8

4/1/02

FPSC-COMMISSION CLERK

type-and-strike format and include all five commissioners' aides and the Division of the Commission Clerk on the e-mail notice.

It is not practical to make this type of change verbally at agenda without having provided the revised language in writing in advance.

Dr. Bane,

I'd like to Request Permission to make a change on Issue 2 of Item 10. Staff will make an oral modification at Agenda. The language for the revision to Issue 2 should be as follows:

If Issue 1 is approved, the tariff should become effective on or after the stamped approval date on the tariff sheets, pursuant to Rule 25-30.475, Florida Administrative Code. If a protest is filed within 21 days of the issuance date of the Order, the tariff should remain in effect with all wastewater only charges held subject to refund pending resolution of the protest, and the docket should remain open. If no timely protest is filed, this docket should be closed upon issuance of the Consummating Order.

Please let me know if you need anything further from me.

Thank you.
