BELLSOUTH TELECOMMUNICATIONS, INC.'S NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION

BellSouth Telecommunications, Inc. ("BellSouth") pursuant to Rule 25-22.006, Florida Administrative Code, files this Notice of Intent to Request Confidential Classification, and states the following:

1. At the close of business on April 1, 2002, Supra Telecommunications & Information Systems, Inc. ("Supra") filed a Letter to Commissioner Palecki with exhibits in the above-captioned docket.

2. Several portions of Supra's letter as well as certain exhibits to that letter contain substantive references to the private commercial arbitration proceeding between the parties. Both BellSouth and Supra are contractually bound under a previous and now-expired Interconnection Agreement to keep the proceedings of the private arbitration confidential. Since the public release of this information is contractually prohibited, it is entitled to confidential classification pursuant to § 364.183, Florida Statutes.

3. Contrary to Supra's statements in its letter, BellSouth has not waived any of its rights regarding the confidentiality of the commercial arbitration proceedings.

4. Because this information is proprietary, BellSouth is now filing this Notice of Intent to Request Specified Confidential Classification pursuant to Rule 25-

22.006(3)(a), Florida Administrative Code. Supra gave BellSouth no notice of its filing of this confidential information. Thus, it was only upon reviewing the subject document that BellSouth first discovered that it contained confidential information. BellSouth is filing this notice promptly after making this discovery.

5. The original of this notice has been filed with the Division of the Commission Clerk and Administrative Services, and a copy has been served on all parties of record.

Respectfully submitted this 2nd day of April, 2002.
