Shevie Brown, Regulatory Analyst, Division of Competitive Markets and Enforcement
RE: Docket No. 020259-TL, BellSouth Petition for Expedited Review of Growth Code Denial by NeuStar.

On March 21, 2002, BellSouth filed a petition requesting the Commission overturn NeuStar's decision to deny a growth code in the Deland switch (DELDFLMADS0) in the Deland rate center for two 1,000 consecutive number blocks with a NXX-2 and NXX-6 number format. In accordance with Commission Order PSC-02-0352-PAA-TL (Docket No. 020087-TL) which approved an expedited process for code denials, we have examined the BellSouth petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has a customer in need of immediate numbering resources;
- 2) The carrier has shown that it will be unable to provide services to the potential customer because of NeuStar's denial of numbering resources; and
- 3) The potential customer cannot obtain service from the provider of its choice because the carrier does not have numbers available to fulfill the customer's needs.

Since the three required criteria of Order PSC-02-0352-PAA-TL have been met, please prepare an administrative Proposed Agency Action (PAA) Order to be issued within seven business days of this memorandum (April 11, 2002) as outlined in the expedited code denial process order. Three previous NeuStar code denial orders have been issued using the new expedited process (See Docket Nos. 020087-TL, 020191-TL and 020237-TL). If you have any questions, please call Bob Casey at 413-6974, or Shevie Brown at 413-6638.
