Re: Docket No. 990649A-TP

Dear Ms. Bayó:

On March 26, 2002 AT&T Communications of the Southern States, LLC and MCI Worldcom, Inc. filed the Late-filed Hearing Exhibit No. 70. It has come to our attention that an explanatory footnote was inadvertently omitted from the first page of the Late-filed Exhibit. Accordingly, attached for filing in the above referenced docket is a copy of the CORRECTED page 1 of Late-Filed Exhibit 70. The only change is the addition of the explanatory footnote at the bottom of the page 1. No other change has been made. The back up documentation filed with Late-filed Exhibit No. 70 remains the same and is not included here to avoid duplicate confidential filings. If you have any questions, please do not hesitate to contact me at (850) 425-5209.

Please acknowledge receipt of this letter by stamping the extra copy of this letter "filed" and returning the same to me.

Thank you for your assistance with this filing.

Sincerely yours,

Tracy W. Hatch
