RE: Docket No. 020285-TX, AT&T Communications of the Southern States, LLC, on behalf of TCG South Florida Inc., Petition for Expedited Review of Growth Code Denial by NANPA.

On April 1, 2002, AT&T Communications filed a petition requesting the Commission overturn NANPA's decision to deny a growth code in the West Palm Beach Gardens switch (WPBHFLGRDS2), in the Fort Pierce rate center for 10,000 consecutive Direct Inward Dialing (DIDs) numbers. In accordance with Commission Order PSC-01-1973-PCO-TL (Docket No. 010782-TL) which approved an expedited process for code denials, we have examined the AT&T Communications petition, along with the confidential supplemental information, and have concluded the following:

- 1) To fulfill a requirement of the expedited process, Staff contacted the proposed customer and was informed that the numbers were no longer needed.
- 2) Staff notified AT&T who stated they will issue a Petition to Withdraw the request for these numbers on April 16, 2002.

Since the three required criteria of Order PSC-01-1973-PCO-TL have not been met, this petition will be withdrawn by the company by April 16, 2002, and will be no longer valid. If you have any questions, please call Shevie Brown at 413-6638.
