Dear Dr. Bane:

Re: Report on Revenue Sharing Plan Refund as ordered in Docket
Nos. 990250-EI and 990947-EI

As noted in our previous correspondence, Gulf has calculated an amount of \$1,529,875 including interest to be refunded to retail customers in 2002. As of March 31, 2002, the total amount refunded to customers is \$1,456,959.23. Currently there are no unclaimed refunds. As defined in the stipulation between the parties, the difference between the calculated refund and the actual refund will be treated as part of the true-up in the next fuel and purchased power cost recovery proceeding.

We will continue to send you updates as required by the F.A.C. 25-6.109 (7). If you have any questions, please give me a call.

Sincerely,

Susan D. Ritenour
