

Docket No. 990649B-TP

Frank Wood Deposition

Late-Filed Deposition Exhibit No. 1

Request: Provide examples of denial of facilities due to digital loop carriers or lack of copper.

Response: Attached are printouts from Sprint IRES database reflecting a denial of service to two customers.

Pages 1-4 reflect a customer location denied service by Sprint for "NO COPPER."

Pages 5-11 reflect a customer location denied service by Sprint and cancelled by Sprint " DUE TO LOCATED BEHIND PAIRGAIN, NO PHYSICAL PAIRS." The term "Pairgain" refers to the digital loop carrier equipment used by Sprint In Tallahassee
