Re: Docket No. 990649B-TP

Dear Ms. Bayo:

Enclosed is a CD ROM containing 3 files of the Sprint-Florida, Incorporated cost study filed on November 7, 2001. These files were requested by Staff to be provided in a linked manner on a CD ROM format. These files are: input files, multiplexing, and TELRICSM. These files contain a portion of the same confidential information as was contained in Sprint-Florida, Incorporated's November 7, 2001, cost study filing (Document No. 14183-01), and for which Sprint-Florida previously requested and received confidential classification. See Order No. PSC-02-0451-CFO-TP, issued April 3, 2002.

Because the information contained on this CD ROM is identical to the information for which the Commission has already granted confidential classification, Sprint-Florida is submitting the enclosed CD ROM under the same confidential classification.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning the same to this writer.
