Thanks, Paula.

Good morning Ruth. See the message below I sent Friday to Kay. I take it that Kay is out (she always answers promptly otherwise). I will begin writing my recommendations today (for filing on May 9th) and would like the docket titles changed before then. Can you please have the titles changed?

Subject: Docket titles

Good morning, Kay. As you know, I open quite a lot of cancellation dockets for nonpayment of the regulatory assessment fee. I also "batch" several docket numbers on a single recommendation when they are all similar. I use the same wording every time on the docket titles for consistency sake, yet, on some cases the wording is changed when I get the CASRs back.

For example, Docket Nos. 020360 thru 020362 use the language that I put on the "Request to Establish Docket" forms, but the wording of the titles were changed on Docket Nos. 020363 thru 020368. Can you please have your staff use the wording that I put on the "Request to Establish Docket" forms? I would appreciate it. Thanks.
