Re: Notice of Termination of Service to Wholesale Customer

The purpose of this letter is to advise you that Williams Communications, LLC ("Williams") plans to terminate service to a wholesale customer, Clearworld Communications Corp. ("Clearworld") on or shortly after April 27, 2002. Williams has provided Clearworld with adequate notice of the termination and has continued to provide services throughout a transition period to allow Clearworld the opportunity to migrate its services to another provider of telecommunications services. For clarification, Williams does not intend to cease offering services in the State of Alabama. Williams is simply notifying the Commission that it intends to terminate certain services provided to one of its wholesale customers.
