Re: Docket Nos. 020243-TX and 020244-TI

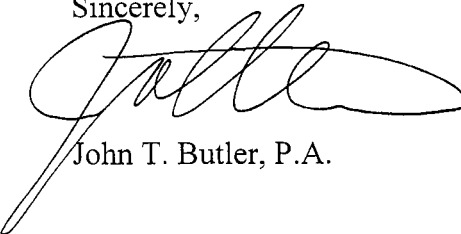

Dear Ms. Bayó:

By letter dated April 5, 2002, we advised you, as counsel for Florida Power & Light Company ("FPL"), of FPL's opposition to Florida Copper & Light, Inc.'s ("FCL") applications in the above dockets. We opposed the applications because the name "Florida Copper & Light" infringed on FPL's trademark interests in the name "Florida Power & Light."

It has come to our attention that on April 29, 2002, counsel for FCL filed in each of the above dockets a "Supplemental Filing Reflecting Name Change." The Supplemental Filings advise the Commission that the name of the applicant has changed from FCL to "M/C Southern Communications, Inc." and ask the Commission to consider the applications in the above dockets to provide interexchange telecommunications ("IXC") service and alternative local exchange telecommunications ("ALEC") service under the new name. Based on the name change reflected in the Supplemental Filings, FPL hereby withdraws its opposition to the applications.

If there are any questions regarding this withdrawal, please contact me at 305-577-2939.

Sincerely,

John T. Butler, P.A.
