Per conversation with Marlene Stern, corrected notice will be filed that must be sent to Secy of State today. We are to disregard the first two notices we received.

I know we already asked you to do away with one FAW notice in this docket, but now I have to ask you to do away with another one. We filed a revised notice today and the dates just got changed again. If its not too late can you please dispose of the second FAW notice. I apologize for all this.
