In re: Energy Conservation Cost)	Docket No. 020002-EG
Recovery Clause)	Filed: May 15, 2002

FLORIDA POWER & LIGHT COMPANY'S PETITION FOR APPROVAL OF TRUE-UP AMOUNT

Florida Power & Light Company ("FPL") hereby petitions the Florida Public Service Commission ("Commission") for approval of an overrecovery of \$266,555 as FPL's adjusted net true-up amount for the January through December 2001 Energy Conservation Cost Recovery ("ECCR") final true-up period. In support of this Petition, FPL states:

1. The name and address of the affected agency are:

Florida Public Service Commission 2540 Shumard Oak Boulevard Tallahassee, Florida 32399-0850

2. The name, address and telephone number of the petitioner are:

Florida Power & Light Company 9250 West Flagler Street Miami, Florida 33174 (305) 552-4981

Notices, orders, pleadings and correspondence to be served upon FPL in this proceeding should be directed to:

Charles A. Guyton, Esquire Steel Hector & Davis LLP Suite 601, 215 S. Monroe St. Tallahassee, Florida 32301 William G. Walker, III Vice President, Regulatory Affairs 9250 West Flagler Street Miami, Florida 33174

DOCUMENT NUMBER-DATE

- 3. FPL is a public utility subject to the Commission's jurisdiction pursuant to Chapter 366, Florida Statutes. Pursuant to Section 366.82, Florida Statutes, and Florida Administrative Code Rule 25-17.015, FPL has an ECCR clause through which it recovers its reasonable and prudent unreimbursed costs for conservation audits, conservation programs, and implementation of FPL's conservation plan. FPL has substantial interests in the proper calculation and recovery of its ECCR factor and the final true-up which is used in the computation of FPL's ECCR factor.
- 4. FPL seeks Commission approval of a final adjusted net true-up for the period January through December 2001 of an overrecovery of \$266,555. FPL's final adjusted net true-up for January through December 2001 was calculated consistently with the methodology set forth in Schedule 1, page 2 of 2, attached to Order No. 10093, dated June 19, 1981. This calculation and the supporting documentation are contained in Exhibit DR-1, an exhibit attached to the prepared testimony of FPL's witness Dennis Reynolds, which is being filed contemporaneously with this Petition. Exhibit DR-1 consists of (a) the Energy Conservation Cost Recovery True-Up Reporting Forms which FPL and other utilities were directed to file by the Commission's Electric & Gas Department memorandum dated April 14, 1982, (b) explanatory supplements to certain of the forms, (c) a complete list of account and subaccount numbers used for conservation cost recovery as required by Florida Administrative Code Rule 25-17.015(3), and (d) documentation necessary to support claimed energy savings in conservation advertising as required by Florida Administrative Code Rule 25-17.015(5).

- 5. Florida Administrative Code Rule 25-17.015 provides, in pertinent part, that each utility seeking conservation cost recovery must file, "an annual final true-up filing showing the common costs, individual program costs and revenues, and actual total ECCR revenues for the most recent 12-month historical period from January 1 through December 31 that ends prior to the annual ECCR proceedings." For the proceedings scheduled for November 2002, that twelve month period is January 1, 2001 through December 31, 2001; therefore, FPL's true-up filing is for the twelve months January through December 2001.
- 6. FPL's current ECCR Factor -- approved by the Commission to be applied to customers' bills during the January through December 2002 period -- reflected an estimated/actual true-up overrecovery of \$6,468,765 for the January through December 2001 period. However, the actual net true-up overrecovery for the January through December 2001 period was \$6,735,320. The difference between the actual net true-up overrecovery for the January through December 2001 period of \$6,735,320 and FPL's approved estimated/actual true-up overrecovery of \$6,468,765 results in an adjusted net true-up of an overrecovery of \$266,555 for the period January through December 2001. This is the amount which should be refunded on jurisdictional sales during FPL's next annual ECCR recovery period.
 - 7. FPL is not aware of any disputed issues of material facts.
- 8. This is a petition requesting approval of a true-up amount for ECCR; it is not a petition in response to an agency action. Therefore, FPL cannot provide "a statement of when and how the petitioner received notice of the agency decision."
- 9. The approval of FPL's final adjusted ECCR net true-up overrecovery of \$266,555 for the period January through December 2001 is in the public interest and should be made.

Section 366.82, Florida Statutes, and Florida Administrative Code Rule 25-17.015 entitle FPL to relief.

WHEREFORE, FPL respectfully requests the Commission approve an overrecovery of \$266,555 as the final adjusted net true-up amount for the January through December 2001 period, and that the approved final adjusted net true-up amount be carried over and reflected in FPL's next ECCR factors.

Respectfully submitted,
