RE: Docket No. 020413-SU

Initiation of Show Cause Proceedings against Aloha Utilities, Inc. for failure to charge approved service availability charges in violation of Order No. PSC-01-0326-FOF-SU and Section 367.091, F.S.

Dear Chairman Jaber:

This letter is to request that consideration of the abovestyled docket, listed as Item No. 8A on the May 21st agenda, be continued until the Commission's July 9,2002 agenda conference. This request is being made due to a conflict of interest which has arisen only this afternoon with regard to Aloha's counsel, Rose, Sundstrom & Bentley. Due to this previously unknown conflict, the Rose, Sundstrom law firm is unable to appear on behalf of Aloha at tomorrow's agenda and my firm was retained as of 4:00 p.m. today to represent Aloha in this matter.

Due to the complexity and long history of the service availability charges at issue here, I do not believe that I have time to adequately prepare to present Aloha's position to the Commission tomorrow. Aloha is requesting that the item be continued until the Commission's July 9th agenda because the President of Aloha, Stephen Watford, the only person other than Marty Deterding of the Rose law firm familiar enough with the facts at issue here to appear before the Commission, will be out of the country on a long planned, and long paid for sailing trip from June 4th until June 20th.

Until the Commission can consider this item at the July 9th agenda, Aloha will collect the new service availability charges of \$1,650.00 only from customers who received notice of the service availability charge increase after April 16, 2002. Further, all customers will be connected to Aloha's system upon request. Notwithstanding this action, Aloha specifically reserves the right to contest the effective date of the service availability tariff Chairman Lila Jaber May 20, 2002 Page 2

and the necessity of giving notice of the service availability increase before the Commission and on appeal.

Aloha has spoken with Dr. Bane, Harold McLean and Marshall Willis concerning this request and under the terms set forth above, they support Aloha's request for continuance until the July 9th agenda.

I greatly appreciate the Staff's willingness to work with Aloha to reach a mutually satisfactory solution which addresses Aloha's due process concerns while protecting ratepayers' interests.

Very truly yours,

Brounder

Suzanne Brownless
