- Late Filed Recommendation (must be filed no later than 3:00 p.m. on the date approved for late filing) **A copy of the front page of the recommendation must be provided to CCA by 12 noon on the regular filing date for use as a placeholder during agenda preparation.**

Concise explanation, justification or comments (attach additional sheet if necessary):

This request is to late-file only the appendix, which contains the proposed rates. It is anticipated that the recommendation itself will be filed by noon June 3, 2002, as currently scheduled. Staff requests permission to file the rate appendix on Friday, June 7, 2002. If completed before that date, the appendix will be filed prior to June 7.

The reason for the request is to allow staff additional time to work with BellSouth's cost model to generate the rates. Staff recently moved the model to a different computer, because of difficulty with capacity and speed of the computer. Staff is still working out difficulties that arose as a result change. Consequently, certain model runs have been restarted. Each run takes several days.
