The rec for this company has 2 docket. One docket shows the company name with "Corp" twice and each time no period follows "Corp" while on the other (the app docket) there is a period each time. I see from FL Secy of State documentation attached to rec that there are no periods after "Corp" while the application did include periods.

We normally go with what is shown in Secy of State. Is that what we should do here? If so, we'll need to revise title in Docket 011661 and also revise MCD.

Please advise!

Thanks.
Kay
