**Subject:** 020213-TP Docket Title correction  
**Importance:** High

The title for this Docket should be:

"Request for approval of one-way interconnection, unbundling, and resale agreement with Allsafe Security Services, Inc. d/b/a Allsafe Paging Systems by BellSouth Telecommunications, Inc."

Kathleen made an additional error in the "correction" letter she dropped off. Her error is in substituting "Security Systems" for "Security Services". As I have typed it above, it is correct.

I will contact Kathleen to get a further correction from her.

Kay, do I need to file a CASR revision, or will this e-mail suffice?

Thank you,

Jeff Bates
