DOCKET NO. 000121B-TP
ORDER NO. PSC-02-0795-PCO-TP
ISSUED: June 11, 2002

ORDER GRANTING INTERVENTION

By Petition, AT&T Communications of the Southern States, LLC; AT&T Broadband Phone of Florida, LLC; and TCG South Florida, Inc. (hereinafter AT&T) has requested permission to intervene in this proceeding. AT&T states that it is an alternate local exchange telecommunications company (ALEC) and an interexchange company (IXC) in Florida. As an ALEC, AT&T states that it must utilize the operations support systems of incumbent local exchange companies (ILEC) in order to provide local exchange service. Accordingly, AT&T states that its substantial interests will be affected by the outcome in this proceeding regarding establishment of permanent performance measures for ILECs.

Having reviewed the Petition, it appears that AT&T's substantial interests may be affected by this proceeding. This proceeding is designed to address operations support systems permanent performance measures for ILECs. As an ALEC operating in Florida, AT&T states that it must utilize the operations support systems of ILECs to provide local exchange service. Thus, AT&T has sufficiently demonstrated that its substantial interests may be affected by the outcome of this proceeding. Pursuant to Rule 25-22.039, Florida Administrative Code, AT&T takes the case as it finds it.

Therefore, it is
