Re: Application of DukeNet Communications, LLC for Authority to Provide Interexchange Telecommunications Service Between Points Within the State of Florida

Dear Sir or Madam:

Enclosed please find the original and eight (8) copies of the Application of DukeNet Communications, LLC for Authority to Provide Interexchange Telecommunications Service Between Points Within the State of Florida.

During the week of May 27, 2002, DukeNet Communications inadvertently mailed a check for \$250 directly to the Florida Public Service Commission, constituting the filing fee for this application, rather than forwarding it to the undersigned for inclusion with the filed application. I have communicated with the Commission staff concerning this check, and Staff has assured me that the check has been located and is being held to be matched with this application when filed. Please call me at 770-414-4206 if there is any question concerning the filing fee for this application.

Please acknowledge your receipt of the enclosed by date-stamping the two (2) extra copies of the Application and returning them to the undersigned in the enclosed self-addressed stamped envelope.

Thank you for your assistance in this matter.

Very truly yours,

Charles V. Gerkin, Jr.
