Re: CEO Telecommunications, Inc.

TI 408

Dear Ms. Isler:

Thank you for working with me on determining the over due Regulatory Assessment Fees owed by CEO Telecommunications, Inc. ("CEO"). This process has proved that voice mails can accomplish anything.

I have enclosed a check in the amount of One Hundred Eighteen Dollars (\$118.00). The break down is as follows:

- |    |         |   |
|----|---------|---|
| 1. | \$3.00  | Penalty and Interest for 2000                             |
| 2. | \$65.00 | Regulatory Assessment Fee for 2001 (Penalty and Interest) |
| 3. | \$50.00 | Regulatory Assessment Fee for 2002                        |

As I advised you via E-mail and Voice mail, I will be contacting you or someone from your office to cancel CEO's certification, as it is no longer providing any service in the State of Florida.

Once again, thank you for your assistance.

Very truly,

Eric Bohman
