RE: Notification of Cancellation of a Certificate Pursuant to 25-24.474(2)
F.A.C. by CEO Telecommunications, Inc.

Dear Ms. Bayō:

CEO Telecommunications, Inc., ("CEO" f/k/a L D Services, Inc.), by its undersigned regulatory consultant and pursuant to 25-24.474(2) F.A.C., hereby requests that the Florida Public Service Commission ("Commission") cancel its certificate of public convenience and necessity.

CEO has entered into an Asset Purchase Agreement with Legent Communications Corporation ("Legent") under which Legent will purchase certain assets of CEO. Such assets primarily include CEO's base of customers and related data, databases, and customer records. This asset acquisition is intended to enable Legent to continue providing resold intrastate, interstate, and international interexchange telecommunications services to current CEO subscribers as new Legent subscribers. CEO has determined that it no longer desires to continue serving telecommunications subscribers in the State of Florida and wishes to exit the interexchange market upon the completion of the acquisition transaction.

CEO states its intent to pay the Regulatory Assessment Fee on or before June 14, 2002, pursuant to rule 25-24.474(2)(a). As CEO did not collect customer deposits or advanced payments, the provision of 25-24.474(2)(b) does not apply. Customers were informed of

A separate copy is attached. CEO further requests that pursuant to rule 25-9.045, Withdrawal of Tariffs, CEO's tariff, FL P.S.C. No. 1, be withdrawn.
