I was going to say leave it in lower case.

They always cap all the letters, so that's no help.

We'll leave the "c" lower-cased and add the dba.

Thanks.

The Sec of State has them as capitals CLERTECH.COM.INC. d/b/a CLERTECH.COM

Is the "c" in the name lower case or capitalized? It's shown two ways on the cover letter, and the handwritten application is hard to interpret.

Kay, I was reviewing the application and noticed where they are going to be doing business as Clertech.com. I reviewed Sec of State and they are registered as a d/b/a under that name also. Could we change the docket title to reflect Clertech.com.inc. d/b/a Clertech.com Thanks
