<b>TOTALS</b>																

\* As no investigation is conducted when a carrier has subscribed to Expedited PIC Switchback

service, it would not be apparent whether or not the change was valid.

**NOTE 1:** The EPSS designation only reflects use of the EPSS FID to track unauthorized changes, however, the numbers count the cases in which the end user states that there is a change without their request.

IC = Interconnection Carrier
CIC = Carrier Identification Code
UPIC = Unauthorized PIC Change
EPSS = Expedited PIC Switchback Service
