EXPLANATION OF SYMBOLS

The following symbols shall be used in this tariff for the purpose indicated below:

- (D)** - delete or discontinue.
- (I)** - change resulting in an increase to a customer's bill
- (M)** - moved from another tariff location
- (N)** - new.
- (R)** - change resulting in a reduction to a customer's bill
- (T)** - change in text or regulation, but no change in rate or charge

TARIFF FORMAT

- A. Sheet Numbering** - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the FLPSC. For example, the 4th revised Page 14 cancels the 3rd revised Page 14. Because of various suspension periods, deferrals, etc. the FLPSC follows in its tariff approval process, the most current sheet number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1
 - 2.1.1.A.1.(a)
 - 2.1.1.A.1.(a).I
 - 2.1.1.A.1.(a).I.(i)
 - 2.1.1.A.1.(a).I.(i).(1)
- D. Check Sheets** - When a tariff filing is made with the FLPSC, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some pages.) The tariff user should refer to the latest Check Sheet to find out if a particular sheet is the most current on file with the FLPSC.

SECTION I - TECHNICAL TERMS AND ABBREVIATIONS

Accounting Code - A multi-digit code which enables a customer to allocate long distance charges to its internal accounts.

Access Line - An arrangement which connects the Customer's location to the Nevada Telephone switching center.

Aggregator - A Customer of the Company, including any person, firm, corporation, or other legal entity which contracts with Nevada Telephone for installation of the Company's services and makes such services available for use by guests, patrons, visitors or other transient third parties at the Aggregator's location. The Aggregator is responsible for compliance with the terms and conditions of this tariff.

Authorized User - A person, firm, corporation, or any other entity authorized by the Customer to communicate, utilizing the Carrier's service.

Commission - The Florida Public Service Commission (FLPSC).

Company or Carrier - Nevada Telephone, Inc., unless otherwise clearly indicated by the context.

Confinement Institution - Used throughout this tariff to refer to prisons, jails, penal facilities or other institutions used for penalty purposes which contract with Nevada Telephone for provision of service for use by their inmate population.

Customer - A person, firm, partnership, corporation or other entity which arranges for the Company to provide, discontinue or rearrange telecommunications services on behalf of itself or others; uses the Company's telecommunications services; and is responsible for payment of charges, all under the provisions and terms of this tariff. The term Customer includes persons, firms, partnerships, corporations or other legal entities who do not have a pre-existing account or relationship with the Company but use the services of the Company on a per call basis from Aggregator locations or through equipment provided by an Aggregator. In case of collect-only calling services provided to Inmates of Confinement Institutions, the called party is the Customer and is responsible for payment of charges.

Inmates - The confined population of institutions.

Long Distance Resale Service - Long Distance Resale Service is a public communications service for hire, which includes providing long distance service to Customers through the resale of leased lines and services provided by multiple other common carriers.

SECTION I - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Operator Station Call - A service whereby the caller places a non-Person to Person call with the assistance of an operator (live or automated).

Pay Telephone - Telephone instruments provided by the Company, Customer, Aggregator or Institution for use by its guests, patrons, visitors, transient third parties or for use by inmates of confinement institutions. Pay Telephones permit the user to place calls to other parties and bill such calls on a non-sent-paid or sent-paid basis. To facilitate sent-paid calling, Pay Telephones can be equipped with a credit card reader, coin box, or similar device that allows charges to be collected for each call at the instrument.

Person to Person Call - A service whereby the person originating the call specifies a particular person to be reached, or a particular station, room number, department or office to be reached through a PBX attendant.

Premises - The physical space designated by the Customer for the termination of the Company's service.

SECTION II - RULES AND REGULATIONS

2.1 Undertaking of Nevada Telephone

- 2.1.1 Nevada Telephone's services and facilities are furnished for communications originating at specified points within the State of Florida under terms of this tariff. Service is provided twenty-four hours a day, seven days a week.
- 2.1.2 Nevada Telephone is a resale common carrier. Nevada Telephone offers operator assisted services to transient end users for traffic originating and terminating within the State of Florida. Nevada Telephone may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities (such as the local exchange carrier), when authorized by the Customer, to allow connection of a Customer's location to the Nevada Telephone network. The Customer shall be responsible for all charges due for such service arrangement. The Carrier agrees to dutifully abide by all Rules and Regulations as set forth by the FLPSC.
- 2.1.3 The Customer's monthly charge for services are based upon the total time the Customer actually uses the service.
- 2.1.4 The rates and regulations contained in this tariff apply only to the services furnished by Nevada Telephone and do not apply, unless otherwise specified, to the lines facilities, or services provided by a local exchange telephone company or other common carrier for use in accessing the services of Nevada Telephone.

2.2 Initial Contact Period and Termination of Service by Customer

- 2.2.1 Termination by Customer - Service may be canceled at any time by a Customer taking switched services. A Customer taking dedicated line or Point-to-Point services may cancel service on not less than thirty (30) days prior written notice to Carrier.

SECTION II - RULES AND REGULATIONS, (CONT'D.)

2.3 Obligation of Customer

2.3.1 The Customer will assume responsibility for all usage and service billed.

2.4 Limitations

2.4.1 Service is offered subject to the availability of the necessary facilities and equipment, or both facilities and equipment, and subject to the provisions of this tariff.

2.4.2 Nevada Telephone reserves the right to discontinue or limit service when necessitated, per Florida Commission Rules, and with twenty-four hours notice, by the conditions beyond its control.

2.4.3 All facilities and services provided under this tariff are directly or indirectly controlled by Nevada Telephone and the Customer may not transfer or assign the use of service or facilities without the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.

2.4.4 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions or service.

2.5 Use

2.5.1 Services provided under this tariff may be used for any lawful purpose for which the service is technically suited.

SECTION II - RULES AND REGULATIONS, (CONT'D.)

2.17 Deposits

2.17.1 The company will not collect deposits from Customers in the State of Florida.

2.18 Taxes

2.18.1 All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

2.19 Liability for Customers' Improper Use of Carrier's Service

2.19.1 Any person or entity which uses, appropriates or secures the use of services from Carrier, whether directly or indirectly, in any unlawful manner or through the providing of any misleading or false information to Carrier and which use, appropriation, or securing of services is inconsistent with the stated uses, intents, and purposes of this tariff or any restrictions, conditions, and limitations stated herein, shall be liable for an amount equal to the accrued and unpaid charges that would have been applicable to the use of Carrier's services actually made by Customer.

2.20 Returned Checks

2.20.1 If Company receives a check from a Customer in payment for service rendered or for any other reason of indebtedness and which is returned from the bank due to insufficient or uncollected funds, closed account, apparent tampering, missing signature or endorsement, or for any other reason, Company shall apply a service charge after Customer has been forwarded a notice of same five days in advance as follows:

Per Returned Check: 5% or fifteen dollars, which ever is greater.

2.20.2 The charge shall be applied to Customer's monthly billing, in addition to any other charges which may apply under this tariff.

2.20.3 Payment rendered by check, which is subsequently dishonored shall not constitute payment until such time as repayment is made by valid means.

SECTION II - RULES AND REGULATIONS, (CONT'D.)**2.21 Customer Service**

2.21.1 Questions regarding service or billing can be directed to Nevada Telephone's Customer Service Department by dialing their toll free number, (888) 835-8342. Credits to customer accounts will be applied on the next Nevada Telephone bill.

2.22 Promotional Offerings

2.22.1 The Company may, from time to time, make promotional offerings to enhance the marketing of its services. These promotions will be approved by the FLPSC with specific starting and ending dates and under no circumstances run for longer than 90 days in any 12 month period.

2.23 Emergency Calls

2.23.1 Message toll telephone calls, to governmental emergency service agencies as set forth in (a) following, have primary or principal responsibility with respect to the provision of emergency services to persons and property in the area from which the call is made, meeting the definition and criteria of an emergency call as set forth in (b) following, are offered at no charge to Customers.

2.23.1.A Governmental fire fighting, State Highway Patrol, police and emergency squad service (as designated by the appropriate governmental agency) qualify as governmental emergency service agencies provided they answer emergency service calls on a personally attended (live) twenty-four (24) hour basis, three hundred sixty-five days a year, including holidays.

2.23.1.B An emergency is an occurrence or set of circumstances in which conditions pose immediate threat to human life and/or property and necessitate that prompt action be taken. An emergency call is an originated call of short duration to a governmental emergency service agency in order to seek assistance for such an emergency.

2.23.1.C **Emergency Shortage of Facilities:** The Carrier reserves the right to limit the length of conversations in times of emergency if a shortage of Facilities occurs.

SECTION III - DESCRIPTION OF SERVICES**3.1 General Description of Service**

3.1.1 For purposes of this tariff, Nevada Telephone offers operator assisted services to transient end users for traffic originating and terminating within the State of Florida. Nevada Telephone will provide network services to pay and courtesy phone operators enabling guest, patrons, employees and other calls over Nevada Telephone's network. The End User selects the billing method of his or her choice. Either a "live" operator or automated attendant equipment will intercept at the beginning of the call. All live operator and automated calls are identified with "Nevada Telephone" prior to billing information being collected and branded again with "Thank You for using Nevada Telephone" after billing information has been collected. Rates will be made available upon request by the Customer.

In addition, the Company offers automated operator assisted collect-only calling services for use by inmates of prisons, jails or other Confinement Institutions as an interexchange carrier from the Florida Public Service Commission.

3.1.2 Customers may use accounting codes to identify the Customers or user groups on an account. The numerical composition of the codes shall be set by Company to assure compatibility with the Company's accounting and billing systems and to avoid the duplication of codes.

3.1.3 Customer will not be charged for uncompleted calls.

3.1.4 Timing of calls - The customer's long distance usage charge is based on the actual usage of the Company's network. Usage begins when the called party picks up the receiver (i.e. when 2 way communications, often referred to as "conversation time" is possible). When the called party picks up is determined by hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. When software answer supervision is employed, up to 60 seconds of ringing is allowed before it is billed usage of the network. A call is terminated when the calling or called party hangs up.

3.2 Service Options, (Cont'd.)

3.2.4 [Reserved for Future Use]

3.2.5 Directory Assistance: The underlying carrier provides service to Nevada Telephone to offer directory assistance services which the Customer may access by dialing area code plus 555-1212. Customer will be billed for such service by Nevada Telephone.

3.2.6 Operator Services: Nevada Telephone's operator assisted calling is available for use by transient end users served from Aggregator locations. Calls are billed in one minute increments, with additional per call charges reflecting the level of operator assistance and billing arrangement requested by the Customer.

3.2.6.1 Operator Service Call Types

- (A) Customer Dialed Calling/Credit Card Call - This charge applies in addition to long distance usage charges for station to station calls billed to an authorized Calling card or Commercial Credit Card. The Customer must dial the destination telephone number and card number where the capability exists for the Customer to do so.
- (B) Operator Dialed Calling/Credit Card Call - This charge applies in addition to long distance usage charges for station to station calls billed to an authorized Calling Card or Commercial Credit Card and the operator dials the destination telephone number at the request of the Customer.

- (C) Collect Billing - A billing arrangement whereby the originating caller may bill charges for a call to the called party, provided the called party agrees to accept the charges. The terms and conditions of the called party's local exchange company apply to payment arrangements.
- (D) Third Party Billing - A billing arrangement by which the charges for a call may be billed to a telephone number that is different from the calling number and the called number. The terms and conditions of the third party's local exchange company apply to payment arrangements.

3.2.7 Institutional Operator Assisted Calling

Institutional operator assisted service allows Inmates to place Collect Calls through an automated call processing system. The call processing system prompts the Inmate and the called party such that the call is completed without live operator assistance. Calls are placed on a collect-only basis to the called party.

A number of special blocking and screening capabilities are available with institutional operator services provided by Nevada Telephone. These capabilities allow Institutions to control Inmate access to telecommunications services, reduce fraudulent use of the Company's services, and eliminate harassing calls to persons outside the Institution.

For services provided to Inmates of Institutions, the following special conditions apply:

- (A) Calls to "900", "976" or other pay-per-call services are blocked by Nevada Telephone.
- (B) At the request of the Institution, Nevada Telephone may block inmate access to toll-free numbers (e.g., 800, 888) and dialing sequences used to access other carriers or operator service providers (e.g., 950-XXXX, 10XXXX).

SECTION III - DESCRIPTION OF SERVICES, (CONT'D.)**3.3 Calculation of Distance**

3.3.1 Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

3.3.2 The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. Nevada Telephone uses vertical and horizontal coordinates produced by Telecordia in their NPA-NXX V & H coordinates tape and Bell's NECA tariff No. 4.

3.3.2.A FORMULA:

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

3.4 Service Area

3.4.1 The service area of Carrier includes all points in Florida.

3.5 Minimum Call Completion Rate

3.5.1 Customers can expect a call completion rate of 99% during peak use periods for all Feature Group D Equal Access 1+ services. The call completion rate is calculated as the number of calls completed (including calls completed to a busy line or to a line which remains unanswered by the called party) divided by the number of calls attempted.

SECTION IV - RATES, (CONT'D.)

4.12 Discounts for Hearing Impaired Customers

4.12.1 Intrastate toll message rates for TDD users shall be evening rates for daytime calls and night rates for evening and night time calls.

4.13 Telecommunications Relay Service

4.13.1 For intrastate toll calls received from the relay service, the Company will when billing relay calls discount relay service calls by 50 percent off of the otherwise applicable rate for a voice nonrelay call except that where either the calling or called party indicates that either party is both hearing and visually impaired, the call shall be discounted 60 percent off of the other wise applicable rate for a voice nonrelay call. The above discounts apply only to time-sensitive elements of a charge for the call and shall not apply to per call charges such as a credit card surcharge.

Robert Jankovics – President and CEO

Robert Jankovics has been President and CEO of Nevada Telephone, Inc., since its inception five years ago. Prior to establishing Nevada Telephone, Mr. Jankovics had been President of New York Coin Telephone for over nine years. Mr Jankovics owns, and oversees the day to day operations of, both companies.

Last year Mr. Jankovics expanded into local exchange telecommunications in Nevada and has grown Nevada Tel's local revenue from zero to over \$5 million in less than one year.

Robert Jankovics' fourteen years of successful telecommunications management fully demonstrates his capability to manage similar operations in Florida.
