3. Concurrently with the filing hereof, the Company has also filed with the

rate relief is accompanied by new rate schedules adjusting the rates and charges of the Company to provide the additional annual gross revenues specified above, as well as by the data and other information required by Rule 25-7.039, *Florida Administrative Code*. The Company's Petition for permanent rate relief uses a 12-month period ending December 31, 2003, based upon an historic base year ended December 31, 2001, as the projected test year, and the Commission has acknowledged the use of such test period.

4. In its last rate proceeding (Docket No. 911150-GU), the Company used a test year ending September 30, 1993. By its Order No. PSC-92-0924-FOF-GU, issued September 3, 1992, the Commission set the midpoint of the rate of return to be earned by the Company upon its projected September 30, 1993 13-month average rate base at 9.75%. In said order, the Commission authorized a return on equity with a range of 11% to 13%, and a midpoint of 12%. Subsequently, Peoples and the Commission reached an agreement to reduce the Company's authorized return on equity to a range of 10.25% to 12.25%, with a midpoint of 11.25% to be "… more reflective of current market conditions." See Order No. PSC-93-1773-FOF-GU, issued December 10, 1993 in Docket No. 931101-GU.

5. The achieved rate of return of the Company for the interim test year ended April 30, 2002, calculated by applying appropriate adjustments consistent with those which were used in its most recent rate case, based upon a 13-month average net investment rate base, is 7.32%. To give the Company an opportunity to earn the minimum of the range of the last authorized rate of return on equity set by the Commission, the same being 10.25%, there exists an interim gross revenue deficiency, on an annual basis, of \$5,421,000, as shown by a summary of the interim rate data included in the schedules filed by the Company

in connection with the Petition for permanent rate relief. Such summary is attached hereto as Exhibit A and by this reference made a part hereof.

6. The Company having hereby established an entitlement to interim relief by demonstrating that it is earning less than the minimum of the range of rate of return calculated in accordance with Section 366.071(5), *Florida Statutes*, the Commission is directed by Section 366.071(2)(a), *Florida Statutes*, to authorize, within 60 days of the filing of this petition, the collection of rates sufficient to earn a rate of return at the minimum of the range of rate of return calculated in accordance with paragraph (5)(b)2 of said section, the same being 8.02%. The procedure for establishing the interim rates designed to provide the said gross revenue deficiency of \$5,421,000 is set forth in Rule 25-7.040(2), *Florida Administrative Code*, and the interim rates which shall apply are determined by data filed herewith, in accordance with such rule.

7. Pursuant to Section 366.071, *Florida Statutes*, the Company agrees to collect the difference between the interim rates and the previously authorized rates under bond or corporate undertaking subject to refund with interest at a rate determined in accordance with Rule 25-7.040(3), *Florida Administrative Code*.

WHEREFORE, the Company respectfully prays that, pending final action by the Commission on the Petition for permanent rate relief, the Commission will:

A. Authorize the Company, under Section 366.071, *Florida Statutes*, to place in effect on an interim basis an increase in rates sufficient to earn a rate of return at the minimum of the range of rate of return calculated in accordance with paragraph (5)(b)2 of said section, such rate of return being 8.02%;

-3-

B. Grant such authorization predicated on a determination under Section 366.071, *Florida Statutes*, of a gross annual revenue deficiency in the amount of \$5,421,000 as heretofore calculated; and

C. Require, under Section 366.071, *Florida Statutes*, that the difference between the interim rates and the previously authorized rates be collected under corporate undertaking subject to refund with interest to be determined as hereinbefore set forth.

Respectfully submitted,

PEOPLES GAS SYSTEM
