Re: Indiantown Gas Company, PSC Docket Nos. 020470-GU and
020471-GU

Dear Jennifer:

In accord with our previous conversations and your letter of June 20, 2002, this letter will advise that Indiantown Gas Company has distributed, by U.S. Mail, the notice of customer meeting drafted by the Commission Staff as edited per our conversation of Monday, June 24, 2002. A copy of this notice as mailed is attached to this letter. (The actual notice was printed as a two-sided document.) The majority of the notices were mailed yesterday, June 25, and the remainder are being mailed today. In Indiantown, with rare exceptions, all local mail is delivered the day following mailing, so that all customers should receive their notices no later than tomorrow, June 27, 2002.

Indiantown Gas Company again thanks you and the rest of the Commission Staff for your help and consideration in preparing for the customer meeting on July 11, 2002.

If you need any further information, or if I can answer any questions, please give me a call.

Cordially yours,

Robert Scheffel Wright

Under Indiantown's proposal, the non-fuel base rates will continue to be paid for by customers at Indiantown's tariffed rates. Charges for the natural gas itself (purchased gas adjustment) will be paid for at the rates of the selected supplier. Indiantown will serve as the billing agent for the customer's natural gas supplier and will continue to issue customers a single bill for both its transportation service and the natural gas itself.
