Re: **CONFIDENTIAL DOCUMENT FILING**

Dear Ms. Bayó:

Enclosed for filing on behalf of Florida Power & Light Company ("FPL") are the original and fifteen copies of a Notice of Intent to Request Confidential Classification, together with a diskette containing the electronic version of same. The Notice of Intent pertains to a certain document requested by Staff in its monitoring role in FPL's Supplemental Request for Proposals.

Please note that Exhibit A of FPL's Notice of Intent to Request Confidential Classification contains information which is **CONFIDENTIAL**. Exhibit A consists of the three page document Staff has requested from FPL. To facilitate the confidential handling of this confidential information, we have labeled it **CONFIDENTIAL** and enclosed it in a separate envelope labeled "**Exhibit A CONFIDENTIAL**".

A copy of the Notice of Intent without Exhibit A has been served upon the Division of Economic Regulation. There is no written request from Staff requesting the document being provided as Exhibit A. The request has been made orally by Mr. Ballinger. Consequently, FPL is not in a position to provide as an attachment a copy of the request giving rise to this filing.

If you or your staff have any questions regarding this transmittal, please contact me at 222-2300.

This undocketed notice of intent was filed with Confidential Document No. 0673103. The document has been placed in confidential storage pending timely receipt of a request for confidentiality. Your division director must obtain written permission from the EXD/Tech for you to access the confidential material.

Very truly yours,

Charles A. Guyton
