Dear Mr. Aydin:

The Regulatory Assessment Fee (RAF) is due by January 30th of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. If payment is made after the due date, then statutory penalty and interest charges are applicable.

Our records show the 2001 RAF return notice was mailed December 12, 2001, and a delinquent notice was mailed February 20, 2002. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2001 RAF return form is attached.

If full payment, including penalty and interest charges, along with the RAF return form, are not received by May 29, 2002, it is my intention to establish a docket and recommend that the Commission fine your company \$500 or cancel your certificate. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent your certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should pay the past due amount in full, complete the 2001 RAF return form, either pay the 2002 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.820, Florida Administrative Code, copy attached. Any unpaid RAFs, including penalty and interest charges, are turned over to the Comptroller's Office for collection if the Commission cancels a company's certificate on its own motion (involuntary cancellations).

If you have any questions, please contact me at (850) 413-6502-voice, (850) 413-6503-fax, at the address below, or via internet e-mail at pisler@psc.state.fl.us.
