The Director Division of Records:

I am writing in regards to the letter we received June 28, 02 in regard to Florida Water Services & the rates that we are charged. We object to the rates going any higher than they are now.

We are in our 80's on a limited income. We moved here 15 yrs ago, and all utilities have gone up. enough is enough. In the St. Pete Times this A.M. it sounds as if the deal is done.

Yours truly,
John F. Blaney
