Der Sir or Madam,

I object to Florida Water's request ( whatever it is ). It should be illegal for any company to send a notice to the public without stating in clear and understandable terms what they are trying to achieve. Their six page memo to me is a farce. ( copy of page one enclosed ). I don't know what they want. It seems to me that they are trying to pull the wool over the public's eye.

Your help in keeping the public protected from this type of legalese would be greatly appreciated.

I would like a reply to this memo

Very truly yours,

Robert J. Klobcar.
