Re: Docket No. 020403-SU, Application for transfer of wastewater facilities of Country Run Wastewater Utility Company in Orange County to Orange County Utilities, and request for cancellation of Certificate No. 490-S.

Dear Mr. Morris:

I appreciate your taking time last Friday to discuss the pending interconnection of Country Run to Orange County's collection system and for E-Mailing a copy of your briefing notes. Hopefully, we will be hearing soon that the interconnection is complete.

Meanwhile, enclosed is a copy of the utility's 2001 Annual Report. Pursuant to Rule 25-30.037(4)(e), Florida Administrative Code, an application for transfer of utility facilities to a governmental authority requires verification that the governmental authority has obtained this information. A copy of the rule is also enclosed.

Sincerely,

Pat Brady
