Additional Fees

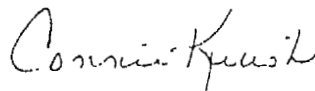

To Whom It May Concern:

As per the attached wastewater tariff effective May 23, 2001, the additional sewage plant capacity charge (impact fee) must be paid prior to commencement of water and/or sewer services. The prior amount paid was \$206.75, which leaves a balance of \$1,443.25

We apologize for any inconvenience this may have caused. Should you have any further questions, please feel free to contact our office.

Re: Increase in Sewer Plant Capacity Charges (Impact Fee)

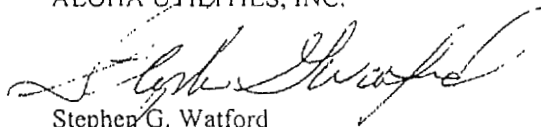

Dear Mr. Law:

The Florida Public Service Commission (FPSC) by Order No. PSC-01-0326-FOF-SU has increased the sewer plant capacity charge applied to all wastewater customers within the Seven Springs service area of Aloha Utilities, Inc. This charge is effective immediately and increases that charge from \$206.75 per residential ERC to \$1,650.00 per residential ERC (or \$12.79 / gallon for all other connections). It applies to all active connections made after the effective date of the recently approved FPSC tariff. Any comments concerning the charge should be addressed to the Director of the Commission Clerk and Administrative Services at 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0870.

Should you have any further questions, please do not hesitate to contact our office.
