RE: Docket No. 020641-TL, BellSouth Petition for Expedited Review of Growth Code Denial by NANPA for Miami (Palmetto).

588 PK (RFB)

On July 1, 2002, BellSouth filed a petition requesting the Commission overturn NANPA's decision to deny a growth code in the Palmetto switch (MIAMFLPLDS0) in the Miami rate center. In accordance with Commission Order PSC-01-1973-PCO-TL (Docket No. 010782-TL) which approved an expedited process for code denials, we have examined the BellSouth petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has a switch in a non-pooling multi-switch rate center which has a MTE of less than six months;
2) The carrier has shown that it will be unable to provide services to customers from a switch in a multi-switch non-pooling rate center because its supply of numbers is less than six months; and
3) Customers will not be able to have a choice of providers because a provider will run out of numbers for that switch in a multi-switch non-pooling rate center within six months.

Since the required criteria of Order PSC-01-1973-PCO-TL have been met, please prepare an administrative Proposed Agency Action (PAA) Order to be issued within seven business days of this memorandum (July 22, 2002) as outlined in the expedited code denial process order. NANPA should be directed to provide BellSouth the needed numbering resources to meet its customer's needs. Ten previous NANPA code denials orders have been issued using the new expedited process (See Docket Nos. 011235-TL, 011266-TL, 011312-TL, 011419-TL, 011528-TL, 020109-TL, 020236-TL, 020338-TL and 020395-TL and 20494-TL ). If you have any questions, please call Shevie Brown at 413-6638.
