Dear Sir or Madam:

In regard to the recent legal notice which I received from Florida Water Services Corp., I definitely do not agree that they should change the authorization so that they would be regulated by the Florida Public Service Commission. The counties are doing a fine job the way it is and it should be left that way.

Thank you for taking the time to read my letter and I ask that you and the commission seriously consider the above request, leaving the counties to do the regulating..

Sincerely,

Elizabeth A. Borgeson.
