Good morning, Tommy:

Please collect \$637.00 from North American.

This company owes no RAFs for its old IXC certificate (TI492). This means all they owe is the \$500 fine imposed in Docket No. 010896-TI.

This company also owes \$137.00 for the 2000 and 2001 RAFs, penalty, and interest, for its ALEC certificate (TX259). The ALEC certificate was cancelled for nonpayment of RAFs in Docket No. 001456-TX. They were also fined \$500 but since they are not reapplying for an ALEC certificate, Ray said he did not believe we should collect on the \$500 fine for that. You may want to tell them that if they reapply for an ALEC certificate in the future, they will have to pay the \$500 at that time.

The breakdown of the \$137.00 for the ALEC certificate is:

Year 2000 - \$50.00 RAF, \$12.50 penalty, \$9.00 interest = \$71.50
Year 2001 - \$50.00 RAF, \$12.50 penalty, \$3.00 interest = \$65.50

Let me know if you have any questions. Thanks.
