 Spring Hill, FL 34606-1558

RECEIVED FPSC

JUL 16 AM 9:30

COMMISSION CLERK

Public Service Commission
 2540 Shumaker Oak Blvd.
 Tallahassee FL 32399

020654-WS July 12

Dear Commissioners:

We feel very strongly that Hernando County officials should continue to retain regulatory control over Florida Water Services.

There is no good reason to transfer such authority to the PSC at this time. In fact, there is every good reason to have local utilities under local control - Local government can respond more effectively to local interests and concerns.

Your support for this position will be appreciated. Sincerely, Mr. & Mrs. J. Flack
