Subject: Docket No. 011217-TI

On June 28, 2002, Brenda Hawkins sent you a Memo requesting that Docket No. 011217-TI be reopened. Since staff dropped the ball on this one, Sally Simmons, Beth Keating, and I believe the most proficient way to handle this matter is to have the company refile the Petition for Waiver of the Surety Bond Requirement. I requested and the company agreed to refile the Petition, so please close Docket No. 011217-TI, accordingly. The Petition should be filed with the Commission by Wednesday of next week.
