RE: Docket #001503-TP

Dear Ms. Bayo:

On February 16, 2001, Sprint filed as confidential Document #02243-01, consisting of attachments to Sprint's Post-Workshop Comments in this docket. On that same date Sprint filed a "Request for Confidential Classification." In reviewing the filing, Sprint recognized that rather than being styled as a Request for Confidential Classification, the filing was intended to be styled as a Claim of Confidentiality, pursuant s. 364.183 (1), F.S. As provided in the statute and Rule 25-22.006(3)(d), F.A.C., the information must be kept confidential until returned to Sprint.

If you have any questions, or need additional information, please let me know.

Sincerely,

Susan S. Masterton
