Dear Mr. Bialozynski:

The Regulatory Assessment Fee (RAF) is due by January 30th of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. If payment is made after the due date, then statutory penalty and interest charges are applicable.

Our records show the 2001 RAF return notice was mailed December 12, 2001, and a delinquent notice was mailed February 20, 2002. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2001 RAF return form is enclosed.

If full payment, including penalty and interest charges, along with the RAF return form, are not received by June 19, 2002, it is my intention to establish a docket and recommend that the Commission fine your company \$500 or cancel your certificate. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent your certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should pay the past due amount in full, complete the 2001 RAF return form, either pay the 2002 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.514, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to the Comptroller's Office for collection if the Commission cancels a company's certificate on its own motion (involuntary cancellations).

Dear Certificate Holder:

The Division of the Commission's Clerk and Administrative Services has forwarded your account to our office to address the nonpayment of the Regulatory Assessment Fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 2001, which was due January 30, 2002. The RAFs return form was mailed to you on **December 15, 2001**, and to date, Commission records reflect that payment has not been received.

According to Florida Law, you are required to add interest charges at 12% per annum, and a 5% penalty for each 30-day period or fraction thereof, beyond the due date, up to a maximum of 25% in addition to the delinquent amount due. In addition, pursuant to Section 364.285, Florida Statutes, the Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 364.

Utilities are charged with knowledge of our rules and statutes. Moreover, it is general Commission practice that all utilities that apply for **Pay Telephone** certificate receive a copy of all applicable rules. Further, in accordance with Section 364.335, Florida Statutes, as part of the application process, utilities provide an affidavit indicating that they have read and understood the applicable rules.

If you wish to request another form, please contact Jackie Knight at the number below. The payment should be identified with the company code and the company's name. Failure to provide payment within 15 days of this notice will result in the establishment of a docket to address your failure to return the RAFs form and pay RAFs in accordance with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. As specified above, pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel your telecommunications certificate. Therefore, it is important that you address this matter now.

If you have paid your fees, please provide us with your check number and the date that it was paid.

Should you have any questions concerning this letter please contact **Jackie Knight** at (850) 413-6267 or via Internet e-mail at jknight@psc.state.fl.us.

Sincerely,

A handwritten signature in black ink, appearing to read "H. McLean".
