6. In the event that any holder of a General Administrative Claim or Priority Claim objects to its treatment under the Plan, the Debtors may be unable to confirm the Plan. In that event, it may be necessary for the Debtors to either convert these chapter 11 cases to a chapter 7 liquidation, or to dismiss these cases. In the event the Debtors are unable to confirm the Plan, the Debtors believe that all holders of General Administrative Claims and Priority Claims will likely receive no recovery on account of their claims.
