ISSUE 1: Should the Commission grant Interglobal Telephone Company d/b/a ITC's request for cancellation of its IXC Certificate No. 7175 due to the finding of insolvency?

RECOMMENDATION: Yes. The Commission should grant the company a finding of insolvency cancellation of its IXC Certificate No. 7175 with an effective date of June 6, 2002. In addition, the Division of the Commission Clerk and Administrative Services will be notified that the 2001 and 2002 RAFs, including statutory penalty and interest charges for the years 2000 and 2001, should not be sent to the Comptroller's Office for collection, but that permission for the Commission to write off the uncollectible amount should be requested. If the certificate is cancelled in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing interexchange carrier telecommunications service in Florida.
