Re: Florida Power & Light Company's First Request for Extension of

Confidential Classification of Materials Granted by Order No. PSC-01-0276-

CFO-EI

Dear Ms. Bayò:

I enclose and hand you herewith for filing in the above-referenced matter, the original and two (2) copies of Florida Power & Light Company's ("FPL") First Request for Extension of Confidential Classification in connection with Audit No. 00-222-4-1. FPL is incorporating herewith by reference its Exhibits A, B, and C previously submitted in connection with its initial Request, but encloses an original and two (2) copies of a new Exhibit D, the Affidavit of Sol Stamm and Rick Del Cueto.

Also included is a computer diskette containing the electronic version of FPL's First Request for Extension of Confidential Classification in Microsoft Word format.

Please do not hesitate to contact me should you or your Staff have any questions regarding this filing. Thanking you for your attention to this matter, I remain,

Sincerely,

Uhale Litchfield (Ose.)

In re: Request for extension of confidential)	DOCKET NO.

by Order No. PSC-01-0276-CFO-EI)	Date Filed: July 25, 2002

FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF MATERIALS PROVIDED IN AUDIT NO. 00-222-4-1

NOW, BEFORE THIS COMMISSION, through undersigned counsel, comes Florida Power & Light Company ("FPL") and, pursuant to rule 25-22.006 of the Florida Administrative Code and section 366.093 of the Florida Statutes, hereby submits its First Request for Extension of Confidential Classification of certain materials provided to the Florida Public Service Commission ("FPSC" or "Commission") staff ("Staff") in connection with the Staff audit identified as Audit Control No. 00-222-4-1 (hereinafter the "Audit"). In support of its First Request for Extension of Confidential Classification, FPL states as follows:

1. Petitioner's name and address are:

Florida Power & Light Company P.O. Box 029100 Miami, Florida 33102-9100

1

FPSC-COMMISSION CLERK

Orders, notices, or other pleadings related to this request should be served on:

William G. Walker, III Florida Power & Light Company Vice President 215 South Monroe Street Suite 810 Tallahassee, Florida 32301-1859 (850) 224-7595 R. Wade Litchfield Florida Power & Light Company Senior Attorney 700 Universe Boulevard Juno Beach, Florida 33408-0420 (561) 691-7101 (561) 691-7135 Facsimile

- 2. On October 17, 2000, FPL filed with the Commission its Request for Confidential Classification of certain materials obtained during the Audit. FPL's initial filing consists of the Request for Confidential Classification and Exhibits A through D.
- 3. By Order No. PSC-01-0276-CFO-EI, dated January 30, 2001 in Docket No. 001564-EI, the Commission granted FPL's request.
- 4. The period of confidential treatment granted by the Commission will soon expire. The information that was the subject of FPL's October 17, 2000 Request warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093. Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification.
- 5. FPL incorporates herein by reference Exhibits A, B, and C from its October 17, 2000 filing. Exhibit D attached herewith consists of the Affidavits of Sol Stamm and Rick Del Cueto.
- 6. FPL seeks an extension of confidential protection for the information highlighted in Exhibit A. As indicated in the affidavits of Mr. Stamm and Mr. Cueto, the information in

question continues to be competitively sensitive and should be protected for an additional period of eighteen months. This information principally consists of FiberNet's financial projections, operating results, contract and pricing information, cost data, and internal audits or audit reports. information includes detailed descriptions by location of FiberNet's also telecommunications system and equipment that would tend to reveal FiberNet's system capabilities and/or deficiencies by location. This information, if made public, would afford FiberNet's competitors an unfair advantage over FiberNet and would impair FiberNet's efforts to enter into contracts on commercially favorable terms. Disclosure of pricing and other contractual terms could also impair the competitive business of FiberNet's customers.

- 7. FPL submits that the highlighted information is proprietary confidential business information within the meaning of section 366.093(3). Pursuant to section 366.093, such information is entitled to an extension of confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.
- 8. Upon a finding by the Commission that the material in Exhibit A for which FPL seeks an extension of confidential treatment is proprietary confidential business information, pursuant to section 366.093(4) such materials should not be declassified for at least eighteen (18)

months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith or incorporated herein by reference, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

R. Wade Litchfield

Documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information include FiberNet's financial projections, operating results, contract and pricing information, and cost data. In addition, the information includes detailed descriptions by location of FiberNet's telecommunications system and equipment that would tend to reveal FiberNet's system capabilities and/or deficiencies by location. This information, if made public, would afford FiberNet's competitors an unfair advantage over FiberNet and would impair FiberNet's efforts to enter into contracts on commercially favorable terms. To the best of my knowledge, Fibernet has maintained the confidentiality of these documents and materials. The materials continue to be competitively sensitive and should be accorded confidential classification by the Commission for an additional period of eighteen months.
